City of Freeport. Completion of the Freeport Bypass along Highway 20. Estimates and plans available through IDOT.

Jo Daviess County. U.S. Route 20/IL Rt. 84 & Golf View Drive Intersection Improvements. Total Cost \$ 1,400,000. Expected start date May 2009.

Freeport and Galena Bypass stretching from Freeport to Galena. Estimates and plans available through IDOT.

Highway 30 reconstruction.

### **Carroll County-**

Village of Milledgeville. Milledgeville Business Park. Total Cost \$2,260,893. Expected start date April 2009. Application for funding has been submitted to EDA and match is secured.

City of Mt. Carroll. Commercial Street Infrastructure Extension. Total Cost \$130,000. Expected start date June 2009.

City of Savanna. Super 8 Water Main Extension Project. Total Cost \$925,000. Expected start date July 2009.

Village of Lanark. Sewer Extension. Total Cost \$150,000. Expected start date May 2009.

Jo-Carroll Depot Local Redevelopment Authority. Improvements on 0.3 mile of roadway. Total cost \$175,000. Expected start date June 15, 2009.

City of Savanna. North 5<sup>th</sup> Street Road Rehabilitation Project. Total Cost \$1,500,000. Expected start date July 2009.

City of Savanna. 4<sup>th</sup> Street Retaining Wall Project. Total Cost \$290,864. Expected start date July 2009.

City of Savanna. Sewer Lining Project. Total Cost \$953,332. Expected start date July 2009.

Savanna Historical Society. Savanna Historical Museum. Total Cost \$850,000. Expected start date July 2009.

Carroll County. Carroll County Court House Renovations. Total Cost \$700,000. Expected start date July 2009.

Carroll County. Ideal Road. Total Cost \$2,200,000. Expected start date July 2009.

### **Jo Daviess County-**

City of Galena. Galena Small Business Revitalization Project. Total Cost: \$495,000. Expected Start Date April 2009.

City of Galena. U.S. Route 20/IL Rt. 84 & Golf View Drive Intersection Improvements. Total Cost \$ 1,400,000. Expected start date May 2009.

City of East Dubuque. Flood Levy Road (6<sup>th</sup> Street) reconstruction and rebuild to 80,000 lb. standard road. Total Cost \$500,000. Expected start date Summer of 2009.

City of East Dubuque. Extend water and sewer to commercial and residential properties along Highway 35. Total Cost \$1,300,000. Expected start date Summer of 2009.

City of East Dubuque. Water service to Bittersweet on the Bluff Business. Total Cost \$80,000. Expected start date Summer of 2009.

Village of Stockton. Dura Roadway / Industrial Park Project. Total Cost \$2,400,000. Expected start date late summer of 2009.

City of Galena. Third and Rives Street Sanitary Sewer Project. Total Cost \$ 238,000. Expected start date April 2009. (*Priority Project for City of Galena*)

City of Galena. Galena Street Improvement Project. Total Cost \$ 808,142. Expected start date April 2009.

City of Galena. Meeker Street Footbridge Replacement. Total Cost \$ 290,000. Expected start date April 2009.

City of Galena. The Grant-Washburne Interpretive Center. Total Cost: \$9,500,000. Expected Start Date Fall 2009 (if funded).

City of East Dubuque. Realign intersection of Highway 20, Wall Street and 6<sup>th</sup> street. Total Cost \$100,000. Expected start date Summer of 2009.

City of East Dubuque. Extend water and sewer to commercial and residential properties along Highway 35. Total Cost \$1,300,000. Expected start date Summer of 2009.

City of East Dubuque. SCADA controls for water and sanitary sewer system. Total Cost \$60,000. Expected start date Summer of 2009.

City of East Dubuque. Update meter reading equipment. Total Cost \$60,000. Expected start date Summer of 2009.

City of East Dubuque. Construct municipal/Library parking facility. Total Cost \$300,000. Expected start date Summer of 2009.

City of East Dubuque. Rip Rap Levy as per Corp requirement. Total Cost \$35,000. Expected start date Summer of 2009.

City of East Dubuque. Water Tower Repairs. Total Cost \$250,000. Expected start date Summer of 2009.

City of East Dubuque. Rehabilitate Well number one. Total Cost \$150,000. Expected start date Summer of 2009.

Village of Hanover. Water Tower. Total Cost \$450,000. Expected start date July 2009.

Village of Hanover. Wastewater Treatment Plant Upgrades. Total Cost \$300,000. Expected start date July 2009.

Village of Hanover. Wastewater Improvement Program. Total Cost \$480,000. Expected start date July 2009.

Village of Scales Mound. Village Hall Structure Renovation and Handicapped Accessible. Total Cost \$176,000. Expected start date July 2009.

Village of Scales Mound. Wastewater Improvement Program. Total Cost \$480,000. Expected start date July 2009.

Village of Scales Mound. Village Hall Structure Renovation & Handicap Accessibility. Total Cost \$176,000. Expected start date July 2009.

Village of Scales Mound. Water Improvement Project. Total Cost \$600,000. Expected start date July 2009.

Village of Elizabeth. Village Street Resurfacing Project. Total Cost \$150,000. Expected start date June 2009.

Village of Elizabeth. Wastewater treatment plant improvements. Total Cost \$550,000. Expected start date late summer of 2009.

Village of Elizabeth. New municipal well. Total Cost \$750,000. Expected start date late summer of 2009.

Village of Elizabeth. ADA and Environmental Improvements to the old high school and elementary school buildings. Total Cost \$750,000. Expected start date late summer of 2009.

Village of Apple River. Water Main Replacement. Total Cost \$300,000. Expected start date July 2009.

Village of Apple River. Wastewater Improvements. Total Cost \$500,000. Expected start date July 2009.

Village of Apple River. Wastewater Treatment Plant Upgrades. Total Cost \$175,000. Expected start date July 2009.

Village of Warren. Construction of a Relief Sewer. Total Cost \$550,000. Expected start date July 2009.

Village of Warren. Wastewater Improvement Program. Total Cost \$350,000. Expected start date July 2009.

Otter Creek Utility District. Lift Station Renovations. Total Cost \$260,000. Expected start date July 2009.

Otter Creek Utility District. Wastewater Treatment Plant Upgrades. Total Cost \$90,000. Expected start date July 2009.

County of Jo Daviess. Bridge Replacement – Scout Camp Road. Total Cost \$4,300,000. Expected start date July 2009.

County of Jo Daviess. Bridge Replacement – Stagecoach Trail/McFadden Bridge. Total Cost \$2,300,000. Expected start date July 2009.

County of Jo Daviess. Bridge Replacement – Veta Grande Road over CCP Railroad. Total Cost \$1,800,000. Expected start date July 2009.

County of Jo Daviess. Bridge Replacement – Ridott Road on South Bolen Road over Sumner Creek. Total Cost \$600,000. Expected start date July 2009.

County of Jo Daviess. Courthouse - Roof Renovation Project. Total Cost: \$190,000. Expected start date April 2009.

County of Jo Daviess. Courthouse – Office Improvement Project. Total Cost: \$50,715. Expected start date June 2009.

County of Jo Daviess. Courthouse – HVAC Improvement Project. Total Cost: \$215,000. Expected start date summer of 2009

County of Jo Daviess. Public Safety Building – HVAC Improvement Project. Total Cost: \$200,000. Expected start date summer of 2009.

County of Jo Daviess. Courthouse/Public Safety Building – Parking lot improvements. Total cost: \$35,500. Expected start date July of 2009.

Village of Warren. Demolition of old, non-functioning water tower. Total Cost \$30,000. Expected start date summer of 2009.

### **Lee County-**

Lee County. Corregidor Road Widening and Resurfacing. Total Cost \$500,000. Expected Start Date July 1, 2009.

City of Dixon. Dixon Direct Sewer Assistance. Total Cost \$125,000. Expected Start Date June 1, 2009.

City of Dixon. West Progress Drive Sanitary Sewer. Total Cost \$550,000. Expected Start Date July 1, 2009.

City of Dixon. Corporate Drive Extension. Total Cost \$1,000,000. Expected Start Date Late Summer 2009.

Lee County. Meridian Road Bridge Replacement. Total Cost \$350,000. Expected Start Date July 1, 2009.

Lee County. Daysville and Reynolds Road Resurfacing. Total Cost \$600,000. Expected Start Date July 1, 2009.

Lee County. Shaw, Amboy and Walton Road Resurfacing. Total Cost \$1,000,000. Expected Start Date July 1, 2009.

Lee County. Van Petten Road Resurfacing and Recycling. Total Cost \$450,000. Expected Start Date July 1, 2009.

Lee County. Morgan, Rockyford, and Maytown Road Recycling. Total Cost \$1,700,000. Expected Start Date July 1, 2009.

Lee County. Various Seal Coat Projects. Total Cost \$300,000. Expected Start Date July 1, 2009.

Lee County. Chicago Road and Paw Paw Spur Cape Seal. Total Cost \$460,000. Expected Start Date July 1, 2009.

Lee County. Pine Hill Road Hot Mix Asphalt Surfacing. Total Cost \$900,000. Expected Start Date July 1, 2009.

Lee County. Various Aggregate Shoulder Placements. Total Cost \$170,000. Expected Start Date July 1, 2009.

City of Dixon. Reagan Way Reconstruction. Total Cost \$2,200,000. Expected Start Date July 1, 2009.

City of Dixon. Tollway Drive Extension. Total Cost \$300,000. Expected Start Date July 1, 2009.

City of Dixon. Northwest Sanitary Trunk Sewer Along Plum Creek. Total Cost \$3,955,000. Expected Start Date July 1, 2009.

City of Dixon. Water Treatment Facilities Phase II and III. Total Cost \$10,000,000. Expected Start Date July 1, 2009.

Village of Ashton. Phase II of New Sanitary Sewer Line. Total Cost \$214,000. Expected Start Date Spring 2009.

Village of Ashton. Construction of 10" Watermain and Extension to West Side of Town. Total Cost \$287,000. Expected Start Date Summer 2009.

City of Dixon Park District. Bituminous Overlay of Existing Roads at Lowell Park. Total Cost \$450,973. Expected Start Date Summer 2009.

City of Dixon Park District. Parking Lot Improvements at Page Park. Total Cost \$1,969,864. Expected Start Date Summer 2009.

City of Amboy. East Main Street Project – US Rt.52 to Green River Park. Total Cost \$2,439,102. Expected start date July 1, 2009.

City of Amboy. Division Street – Prospect Street to East Main Street. Total Cost \$3,373,049. Expected start date July 1, 2009.

City of Amboy. Provost Street – East Avenue to Metcalf Street. Total Cost \$1,009,565. Expected start date July 1, 2009.

City of Amboy. Grommes Neighborhood Park. Total Cost \$1,969,864. Expected start date summer 2009.

City of Polo. Reconstruction of Wastewater Treatment Plant Facility. Total Cost \$12,000,000. Expected start date is ASAP, due to 2 violation notices received from IEPA.

### **Ogle County-**

City of Rochelle. Roadway/Utility extension to Rochelle Business and Technology Park Project. Total Cost \$6,200,000. Expected Start Date July 1, 2009.

City of Rochelle. Dement Road Extension to connecting I-39 to Industrial Park Project. Total Cost \$13,700,000. Expected Start Date July 1, 2009.

City of Rochelle. Intermodal Park Truck Access Route – 120,000# Capacity Project. Total Cost \$9,470,000. Expected Start Date July 1, 2009.

Ogle County. Ogle County Courthouse Remodel. Total Cost \$8,719,570. Expected start date June 2009.

Ogle County. Ogle County Courthouse Geothermal Energy. Total Cost \$1,344,918. Expected start date June 2009.

Unincorporated Kings. Construction of lift station and forcemain for sanitary sewer from Rochelle, Illinois to Kings, Illinois. Total \$2,000,000. Expected start date Spring of 2010.

City of Oregon. Oregon Library Construction. Total \$ being determined now. Expected start date Late Summer 2009.

County of Ogle. Reconstruction of Flagg Road/County Highway 22 Project. Total Cost \$2,600,000. Expected Start Date May 15, 2009.

County of Ogle. Bluff Road and Brush Road Bridge Replacement Project. Total Cost \$450,000. Expected Start Date May 15, 2009.

County of Ogle. County Highway Department Equipment Storage Building Project. Total Cost \$1,200,000. Expected Start Date May 15, 2009.

Village of Forreston. Wastewater Treatment Plant Upgrades. Total Cost \$3,500,000. Expected start date July 2009.

Village of Forreston. Water Main Replacement. Total Cost \$600,000. Expected start date July 2009.

Lost Lake Utility District. New Well. Total Cost \$300,000. Expected start date July 2009.

Lost Lake Utility District. Wastewater Treatment Plant Upgrades. Total Cost \$7,500,000. Expected start date July 2009.

### **Stephenson County-**

City of Freeport. Northwest Illinois Innovation Center. Total Cost \$9,400,000. Expected start date July 2009.

County of Stephenson. Mill Race Industrial Park associated infrastructure improvements of a wet industrial park for economic development purposes. Total Additional Needed Cost \$700,000. Expected start date July 2009.

City of Freeport. Completion of the Freeport Bypass along Highway 20. Estimates and plans available through IDOT.

Village of Cedarville. Drainage & Street Improvements on Harrison Street, Phase II. Total Cost \$350,000. Expected start date July 2009.

Village of Davis. Village-Wide Street Maintenance & Repairs. Total Cost \$350,000. Expected start date July 2009.

Village of Davis. Water Main Improvements. Total Cost \$500,000. Expected start date July 2009.

Village of Lena. Renovation of the sedentary sewer lift station. Total Cost \$200,000. Expected start date July 2009.

Village of Lena. Village-Wide Street Maintenance & Repair. Total Cost \$200,000. Expected start date July 2009.

Village of Lena. Water Improvements. Total Cost \$150,000. Expected start date July 2009.

Village of Lena. Drainage repair at Main Street & Townline Road. Total Cost \$10,000. Expected start date July 2009.

Village of Lena. Drainage repair at Williams Street & Oak. Total Cost \$9,000. Expected start date July 2009.

Village of Lena. Drainage repair at Rantoul & Maple. Total Cost \$61,000. Expected start date July 2009.

Village of Lena. Drainage repair at the Butternut Woods Subdivision. Total Cost \$38,000. Expected start date July 2009.

Village of Dakota. New blower system for sewer plant . Total Cost \$40,000. Expected start date June 2009.

Village of Dakota. Redo Main Street. Total Cost \$1,400,000. Expected start date June 2009.

Village of Dakota. Upgrade/replace two lift stations. Total Cost \$40,000. Expected start date June 2009.

Village of Dakota. Reshape 300 ft. of ditch for better drainage. Total Cost \$14,000. Expected start date June 2009.

Village of Dakota. Drainage tube replacement. Total Cost \$10,000. Expected start date June 2009.

Village of Dakota. Replace 3000 ft. of sidewalk. Total Cost \$105,000. Expected start date June 2009.

Village of Dakota. Replace 2 box culverts. Total Cost \$75,000. Expected start date June 2009.

Village of Dakota. New shelter house for village park. Total Cost \$20,000. Expected start date June 2009.

Village of Dakota. Upgrade playground equipment for village park. Total Cost \$30,000. Expected start date June 2009.

City of Freeport. Well #9 and Burchard Street Elevated Water Storage Tank. Total Cost \$200,000. Expected start date July 2009.

City of Freeport. City-Wide Street Maintenance and Repairs. Total Cost \$500,000. Expected start date July 2009.

City of Freeport. Hancock Bridge Deck Replacement. Total Cost \$300,000. Expected start date July 2009.

Village of Orangeville. Main and High Streets Sidewalk Replacement. Total Cost \$84,000. Expected start date Spring/Summer 2009.

Village of Orangeville. High Street Streetlighting. Total Cost \$17,000. Expected start date Spring/Summer 2009.

Village of Orangeville. Street and Alley Resurfacing. Total Cost \$56,000. Expected start date Spring/Summer 2009.

Village of Orangeville. Covered Bridge. Total Cost \$2,000. Expected start date Spring/Summer 2009.

County of Stephenson/City of Freeport. Intersection Improvements at Pearl City Road and Kiwanis/Forest Road. Total Cost \$450,000. Expected start date July 2009.

County of Stephenson. Salt Storage Facility at Highway Department. Total Additional Needed Cost \$125,000. Expected start date July 2009.

County of Stephenson. County - Wide Road Maintenance and Repairs. Total Cost \$2,500,000. Expected start date July 2009.

County of Stephenson. Bridge Replacement – Ridott Road on South Bolen Road over Sumner Creek. Total Cost \$600,000. Expected start date July 2009.

City of Pearl City. Fire Station/Village Hall and Infrastructure Extension (roads, water, sewer, etc.) Total Cost \$1,000,000. Expected start date June 2009.

City of Pearl City. Water Distribution System Improvements. Total Cost \$150,000. Expected start date June 2009.

City of Pearl City. Wastewater Treatment Plant Upgrades. Total Cost \$175,000. Expected start date June 2009.

City of Pearl City. Infrastructure Support for New Fire Station. Total Cost \$250,000. Expected start date July 2009.

Village of Winslow. Wastewater Treatment Plant Upgrades. Total Cost \$400,000. Expected start date July 2009.

Village of Winslow. Watermain Replacement. Total Cost \$480,000. Expected start date July 2009.

Erin Township. Salt Shed. Total Cost \$75,000. Expected start date July 2009.

### **Whiteside County-**

City of Rock Falls. Sanitary Sewer Extension-US Route 30 to Sewer Plant. Total Cost \$450,000. Expected start date July 2009 (if funded).

City of Rock Falls. Water Main Extension-US Route 30 to Sewer Plant. Total Cost \$303,000. Expected start date July 2009 (if funded).

City of Morrison. Smith House Preservation and Bed and Breakfast Project. Total Cost \$350,000.00. Expected start date June 2009.

City of Morrison. Rebuild Wastewater Treatment Plant Project. Total Cost \$3,500,000.00. Expected start date June 2009.

City of Morrison. East End Water Main Looping Project #071186. Total Cost \$1,600,000.00. Expected start date July 2009.

City of Rock Falls. Wastewater Reclamation Facility. Total Cost \$24,700,000. Expected Start date Fall 2009.

City of Rock Falls. Forcemain, Watermain & Lift Station renovation. Total Cost \$4,250,000. Expected Start Date Fall 2009.

City of Rock Falls. Bridge reconstruction projection-11<sup>th</sup> Street Bridge. Total Cost \$400,000. Expected Start Date Fall 2009 (if funded).

City of Sterling. Storm Sewer Project – Locust St. from 3<sup>rd</sup> to 5<sup>th</sup>. Total Cost \$1,100,000 (IDOT has reserved some money already for this project). Engineering Completed, Expected Start Date June 2009.

City of Sterling. Regional Detention and Storm Sewer – Highland Park . Total Cost \$400,000. Engineering Completed, Expected Start Date June 2009.

City of Sterling. Lynn Blvd from 16<sup>th</sup> Ave to Freeport Rd. Total Cost \$1,000,000. Engineering Completed, Expected Start Date June 2009.

City of Sterling. Wastewater Extension to East End of Sterling. Total Cost \$5,800,000. Engineering Completed, Expected Start Date June 2009.

City of Sterling. NorthEast Regional Detention Facility. Total Cost \$1,750,000. Engineering Completed, Expected Start Date June 2009.

City of Sterling. Lynn Blvd from 6<sup>th</sup> Ave to 16<sup>th</sup> Ave. Total Cost \$1,000,000. Expected Start Date June 2009.

City of Sterling. West LeFevre from Locust to Ave L. Total Cost \$600,000. Expected Start Date June 2009.

City of Sterling. 1<sup>st</sup> Avenue from 5<sup>th</sup> to LeFevre. Total Cost \$580,000. Expected Start Date June 2009.

City of Sterling. Misc. 2009 Street Projects. Total Cost \$1,800,000. Expected Start Date June 2009.

Village of Lyndon. Lyndon Public Works Building. Total \$ being determined now. Expected start date June 2009.

Village of Lyndon. Lyndon Public Library Building. Total \$ being determined now. Expected start date June 2009.

Village of Erie. Sanitary Sewer Lining. Total Cost \$480,000. Expected start date July 2009.

Village of Erie. New Village Hall Infrastructure. Total Cost \$80,000. Expected start date July 2009.

Village of Erie. Wastewater Treatment Plant Upgrades. Total Cost \$400,000. Expected start date July 2009.

Village of Erie. Cemetery Road Improvements. Total Cost \$150,000. Expected start date July 2009.

Village of Prophetstown. Water and Sewer Separation in the Downtown Phase I. Total Cost \$575,000. Expected start date June 2009.

Village of Prophetstown. Water and Sewer Separation in the Downtown Phase II. Total Cost \$400,000. Expected start date July 2009.

City of Morrison. Brownfield / Parking/Farmers' Market Project. Total Cost \$ 75,000.00. Expected start date June of 2009.

City of Morrison. Farm Bureau Building Renovation / Emergency Shelter / Community Center. Total Cost \$500,000.00. Expected start date July of 2009.

City of Morrison. Historic Business District Business Association Ownership Pilot Project. Total Cost \$1,300,000.00. Expected start date July of 2009.

City of Morrison. Morrison Historic Lincoln Highway Bridge Surrounding Area Preservation and Enhancements Project. Total Cost \$250,000.00. Expected start date June 2009

City of Morrison. Phase-1 Bike / Walking Trail from City to Morrison Rockwood State Park Project #080007. Total Cost \$500,000.00. Expected start date June 2009.

City of Morrison. Jackson Street Pedestrian Bike Trail Project. Total Cost \$300,000.00. Expected start date June 2009.

City of Morrison. New Public Works Building Project. Total Cost \$900,000.00. Expected start date June 2009.

City of Morrison. Water Tower Rehabilitation Project. Total Cost \$100,000.00. Expected start date June 2009.

City of Morrison. Stormwater Treatment Project. Total Cost \$450,000.00. Expected start date July 2009.

City of Morrison. Water SCADA System Project #070784. Total Cost \$75,000.00. Expected start date July 2009.

City of Morrison. Water Mains Replacement System Project. Total Cost \$1,000,000.00. Expected start date June 2009.

City of Morrison. New Well # 5 and Pump Project #060285. Total Cost \$950,000.00. Expected start date July 2009.

City of Morrison. Well #5 Well House Project #060285. Total Cost \$950,000.00. Expected start date July 2009.

City of Morrison. Well #4 New Control Building Project. Total Cost \$125,000.00. Expected start date July 2009.

City of Morrison. Street and Alley Rehabilitation Project. Total Cost \$1,000,000.00. Expected start date July 2009.

City of Morrison. Brick Street Rehabilitation Project. Total Cost \$2,250,000.00. Expected start date June 2009.

City of Morrison. Anaerobic Digester Rehabilitation Project #070608.30. Total Cost \$1,300,000.00. Expected start date July 2009.
