## Freight Study Kick-Off: A Multimodal, Intermodal Focus

Join Blackhawk Hills Regional Council, the East Central Intergovernmental Association (ECIA), and the Illinois and Iowa Departments of Transportation on Thursday, December 17, 2015, at Champps Americana-Best Western Hotel, 3100 Dodge Street, Dubuque, Iowa, to discuss the freight study for the eight county region.

Freight movement is critical to our region's economic vitality and business growth. The purpose of the study is to prepare a plan that enhances the mobility of both people and goods while mitigating the negative impacts on mobility, safety, environment and quality of life. The study will provide key recommendations for existing and future roadways, rail, intermodal and freight facilities in the region.

Registration will begin at 10:45 AM till 11:15 AM and lunch will be served at 11:15 AM (no cost). Speaker Presentation at 11:30 AM to 1:30 PM. Speakers include:

- Director Paul Trombino, Iowa Department of Transportation
- Secretary Randy Blankenhorn, Illinois Department of Transportation
- Stu Anderson, Director, Iowa Department of Transportation Planning, Programming & Model
- Jeff South, Director, IL Department of Transportation Planning and Programming.

Community participation is critical to the success of the study. We need a strong Illinois presence at the meeting, and we strongly encourage local officials to attend.

To register for the kick-off, please contact Gail Kuhle at 563-690-5710 or [gkuhle@ecia.org](mailto:gkuhle@ecia.org). For more information about the study, contact Theresa Wittenauer, Blackhawk Hills' Executive Director at [theresa.wittenauer@blackhawkhills.com](mailto:theresa.wittenauer@blackhawkhills.com) or 815-625-3854.

### Funding Opportunities

Visit [blackhawkhills.com/grants](http://blackhawkhills.com/grants) or contact our office for more information on these and other funding opportunities.

#### Books For Children

The Libri Foundation is a nationwide non-profit organization which donates new, quality, hardcover children's books to small, rural public libraries in the United States through its BOOKS FOR CHILDREN program. In 2016 only past grant recipients in good standing are eligible to apply for a Books for Children grant. Visit the Libri Foundations's website, to see if your library is eligible. If your library is listed and you are interested in applying for a grant, please email your name, title, the name of your library, and your mailing address to the foundation at [libri@librifoundation.org](mailto:libri@librifoundation.org). Application deadlines for 2016 are: January 15th, March 15th, and May 15th. Click [here](#) for more information.

### [Assistance to Firefighters Grant Program](#)

The U.S. Department of Homeland Security and the Federal Emergency Management Agency award grants to fire departments and non-affiliated emergency medical service organizations across the U.S. annually. The program offers grants for equipment, protective gear, emergency vehicles, training, and other resources. Application deadline is January 15, 2016 at 5:00 P.M. EST. Click [here](#) for more information.

### [Captain Planet Foundation](#)

The Captain Planet Foundation supports educational programs that enable youth to understand and appreciate our world by getting involved in hands-on projects to improve the environment. The Foundation is interested in funding innovative programs that inspire youth to participate in community service through environmental stewardship activities. An additional priority is to fund programs that encourage environment-based education in schools. Nonprofit organizations and public schools may apply for grants of \$500 to \$2,500. Priority is given to projects with at least matching or in-kind funding for their project. Application deadline is January 31st for fall and winter projects. Click [here](#) for more information.

### [Project Orange Thumb](#)

Project Orange Thumb, sponsored by Fiskars, is dedicated to supporting the community garden movement throughout the U.S. and Canada. Support is provided for local projects that will make differences in their communities through unique community garden initiatives while demonstrating how a small group of people can make changes that affect the entire community. Ten winners will receive \$5,000 in cash and Fiskars garden tools to help support their goals of neighborhood beautification and horticulture education, and one applicant will receive a complete garden makeover. Project Orange Thumb is intended to promote new garden spaces and garden expansions. Nonprofit organizations, public schools, and municipalities are eligible to apply. Application deadline February 1, 2016. Click [here](#) for more information.

## **Input Needed for Stephenson County Multi-Hazard Mitigation Plan**

Part of preparing for natural and human-caused disasters is creating a hazard mitigation plan. A hazard mitigation plan is required to remain eligible to receive certain mitigation funds that can be used before or after a disaster. The plan also helps local officials decide what projects and programs will receive priority. If you live or work in Stephenson County, please help the county's planning process by completing this short 12-question survey.

The survey is available [here](#).
