Request for Quotation 1-2017

TRAFx trail counter training

Blackhawk Hills Regional Council (BHRC) requests a quote from experienced entities capable of skillfully providing the following services:

- Onsite training for staff to properly deploy and collect data from TRAFx trail counters
- Project timeframe: April 2017

If your organization is qualified and experienced in providing the above services, BHRC requests that you submit a quote for the above to info@blackhawkhills.com. Please include the RFQ number.

The deadline for submitting a quote is **3:30 p.m. on March 13, 2017.**
